HTML5/CSS3  
Photoshop  
Illustrator

## Skills

user research  
information architecture  
interaction design  
rapid prototyping  
usability testing  
visual design

## Experience

### UX Designer | Arekibo

Dublin // May 2017 - Present

Consulted on, devised and implemented digital strategy and design for some of Ireland's most distinguished organisations. Engaged in the entire design cycle from research and requirements gathering through to visual design. Reimagined internal design processes and advocated for adoption of Sketch and Slack applications.

### UX Designer | DESIGNATION

Dublin // Oct 2016 - Apr 2017

Designer at an intensive bootcamp focused on user-centred experience and interface design. Learned the principles and best practices of implementing successful UX, UI and IxD. Applied design thinking to solve complex problems for clients in a collaborative, agile environment.

### Accounts Administrator | Canada Life Europe

Dublin // Jun 2014 - Nov 2016

German language role with progressive responsibilities. Championed and documented workflow developments and process improvements that resulted in department savings of c. 3000 man-hours annually. Trained managers and colleagues in newly developed processes.

### English Language Assistant | BRG/BHAK Schwaz

Tyrol // Sep 2013 - May 2014

Taught engaging English lessons at two schools to students aged 11-20. Collected and analysed feedback from classes and colleagues to create and refine lesson plans. Utilised leisure time to achieve total fluency in German.

## Education

### Postgraduate Diploma, Applied Digital Media

Griffith College Dublin // 2015 - 2017

### BBS (Lang.), Business and German

Trinity College Dublin & Universität Trier // 2009 - 2013

## Learning

### Honing technical skills

Lynda, Udacity, Udemy

### Broadening UX horizons

Interaction Design Foundation
